

Introduction:

This Chapter encompasses the core plans of Integrated Development Plan as determined by Section 26 of the Local Government: Municipal Systems Act and Regulations 32 of 2000.

The Sedibeng District Municipality is aware of the potential impact of disasters and other related risks on its service delivery mandate and how they continue to threaten the day to day lives of its communities. Several extensive disaster risk management and mitigation measures are therefore executed for both strategic and operational risks in order to prevent and minimize the impact of such situations and in compliance with the Disaster Management Act.

Sedibeng District Municipality District Integrated Transport Plan (DITP) has been completed and it is at a stage wherein stakeholder's consultation process still has to be conducted then submitted to council for approval and attached in the Final Review IDP 2021/22

The following plans are therefore attached as Annexures:

Annexure (A) Budget

Annexure (B) Sedibeng District Municipality Disaster Management Plan

Annexure (C) Sedibeng District Municipality DITP (2019-2024 Final Draft)

Annexure (D) Community Safety Strategy 2018– 2022

Annexure (E) District Aids Implementation Plan 2018-22
