herein represented by ARNOLDUS NEVELING in his capacity as the MANAGING DIRECTOR,
duly authorized thereto,
(herein after referred to as the “Contractor”).**

WHEREAS

1. The Employer, after due process of the Supply Chain Management, awarded a tender contract no. 8/2/5/1-2017 to the Contractor to render maintenance, repairs and equipment replacement on CCTV Surveillance at various identified locations across the region (“the Project”) for the Employer;
2. The Parties concluded an agreement, which was set to endure for a period of one (1) year, with effect from 1 January 2018 to December 2018 with an option to renew the contract annually subject to the performance assessment of the contractor and the availability of the budget, (hereinafter referred to as the main agreement);
3. The Parties wish to effect certain amendments in the main agreement on the same terms and conditions.

NOW THEREFORE THE PARTIES AGREE AS FOLLOWS:

1. The Parties agreed to extend the agreement for a further period of three (03) months commencing on the 01 January 2020 and ending on the 31 March 2020, notwithstanding the date of signature hereof.
2. For the period of the extension, the scope of the work and the project fee shall remain the same in accordance with the main agreement.
3. The contents of this Addendum are the only amendments to the main agreement, the terms and conditions of which shall remain valid and binding on the Parties until the agreement terminates.
