Sedibeng welcomes Cllr. Melina Gomba as the new MMC for Health & Social Development

At the recent Sedibeng District Council meeting which was held on the 30th January 2013, a new Member of Mayoral Committee, Cllr. Melina Gomba was inaugurated. . Cllr. Melina Gomba comes from the Midvaal Local Council and she replaces Cllr. Fetty Mnguni who has resigned from Council.

Cllr. Gomba is a businesswoman and was a Chairperson of the Municipal Public Accounts (MPAC) at the Midvaal Local Council. She will be taking over from Cllr. Mnguni the critical and essential portfolio which includes areas of responsibility covering Health & Social Development.

“I on behalf of the Mayoral Committee and Council welcome you to the Sedibeng District Council and hope that the vast experience you have obtained as a political and community activist, businesswoman and a councillor responsible for Municipal Public Accounts will add to the pool of variety of skills we have here in this Council”, said the Executive Mayor of the Sedibeng District Municipality in welcoming Cllr. Gomba.

This movement comes after the regular assessment of public representatives by the ruling party informed by its elections manifesto commitments for the period 2011 – 2012 financial year, which coincided with our one year in office since local government elections 2011.

“I must hastily assure the people of Sedibeng that these developments were not in any way influenced by any intention other than to ensure that we do our best in strengthening governance and accelerate service delivery in the Region”, added the Executive Mayor.
