

EASTER MESSAGE

FROM THE EXECUTIVE MAYOR OF THE
SEDIBENG DISTRICT MUNICIPALITY,
CLLR. MAHOLE SIMON MOFOKENG

Happy Easter

It is that time of the year when the Christian community, across denominations, remember the death and rise of the Lord Jesus Christ. Easter is a poignant and important annual event. Many people will travel during this season to visit family and friends or to join church pilgrimages. Therefore, the government, through the Departments of Health and Transport, ensures that there are minimum road accidents.

On behalf of the Sedibeng District Municipality, I wish you all peaceful and safe travelling as you travel to your various destinations to meet your loved ones.

As a reflection of the 20-year celebration of democracy, let us in a spirit of the late Ntate Madiba, continue touching the lives of those around us.

Let us make this Easter weekend one in which we minimise accidents on the roads. It depends on each and every road user to exercise responsibility as we move forward.

This is a significant Easter because it is in the same month where, on 27th of April 1994, everyone who was eligible to vote voted regardless of their skin colour. 20 years on, we are preparing for the 5th general elections on the 7th of May 2014.

Like the eligible voters of 1994, who exercised their right to cast their vote, eligible voters of 2014 must cast their vote to move South Africa forward peacefully in the up-coming general elections.

I wish all the people of Sedibeng, and South Africans at large, a truly blessed Easter. Let us return safe and continue to build our country, the economy and its people. God bless.

CLlr. Mahole Simon Mofokeng
