The Gauteng Provincial Government invites you to attend the Combined Premier and Mayor's Ntirhisano Road Show and Commemoration of the Vaal uprisings Sedibeng. The programmes will take place as follows:

Date : Wednesday, 02 September 2015

Venue : Rustervaal Community Hall

Time : 17h30 - 19h30

The programme is aimed at identifying and addressing challenges faced by communities in the province as well as responding to and resolving service delivery issues in our communities.

War Room applies to all public services, with key focus on:

Providing minimum services to the poorest households

- Basic services: water, sanitation, electricity, indigent policies, social grants.
- Social wage: Early Childhood Development, education, health care, social development, food security, safety, public transport and sport and recreation, etc.

Broadening economic participation

- Local economic participation: youth, women, poor & unemployed.
- Activation of unemployed within township economies revitalisation, SMMEs & Corporatives, skills development, Extended Public Works Programmes and Community Workers Programmes and Welfare to Work.

Fighting social ills and building social solidarity

- Building social movement against drugs, preventing child neglect, eradicating violence against women and children, reducing teen pregnancy.
- Clean, healthy and liveable environments.
- Refuse removal, preventing illegal dumping, greening communities, clean up campaigns.

Partnerships and behaviour change

- All activities and campaigns should encourage and build community partnerships including NGOs, Community Based Organisations, social solidarity and positive behaviour change.

The Gauteng Provincial Government in conjunction with the Sedibeng District and Emfuleni Municipalities invite you to join the Premier and MECs, Executive Mayors and MMCs at the combined Ntirhisano Road Show and 31st Anniversary of the Vaal Uprising program. The program is scheduled as follows:

Date : Thursday, 03 September 2015

Venue : Sebokeng Zone 3 Stadium

Time : 12h00 - 16h00

This event will also mark the commemoration of the Vaal uprising which took place on 03 September 1984 – a day which saw the brutal killing of innocent people during what was meant to be a peaceful march led by the Vaal Civic Association (VCA) in protest of the proposed rent increases and rate hikes in Black townships.

War Room applies to all public services, with key focus on:

Providing minimum services to the poorest households

- Basic services: water, sanitation, electricity, indigent policies, social grants.
