SUSPICIOUS SUPPLY CHAIN ACTIVITIES

To whom it may concern:

Sedibeng District Municipality has received recent reports of individuals presenting themselves as municipal supply chain officials and soliciting quotation from suppliers registered with the municipality.

Please bear in mind that while correspondence from these individuals is printed on stationery with the municipal logo, this is **not** official correspondence from the municipality. Suppliers must not accept any form of instruction to deliver that is not printed on an official blue & white municipal purchase order.

This public notice serves to inform all municipal service providers, staff and councillors that no such persons are associated with the Sedibeng District Municipality, and we stress to all our stakeholders to stay vigilant and be on the lookout for any suspicious behaviour. If any suppliers are unsure of recent requests for quotations or purchase orders received, please feel free to contact the Sedibeng Supply Chain Department on (016) 450 3110 / 3053 / 3151 / 3000.

Should anyone suspect that they may have been approached by the individuals listed above, or have any information regarding the matter, we humbly request that it be reported either to your nearest SAPS or to our Fraud Division in the Office of the Chief Operations Officer, as follows:
