

# Sedibeng Wishes

## Grade 12 learners

# well in their exams.

"I urge all learners, educators, parents, guardians and all stakeholders to work together like never before during this important period. Learners should have enough support structures/assistance in ensuring that they have ample time to prepare for these exams while on the other hand, educators must always be available for any kind of assistance which learners may need" said the Executive Mayor of Sedibeng District Municipality, Cllr Busisiwe Modisakeng.

The Executive Mayor wishes the class of 2017 all the best with the National Senior Certificate (NSC) examinations.

"My wish is for our two Educational District (Sedibeng East & West District) to continue to be the best as I have faith and confidence in them", added the Executive Mayor.

This is an important period which requires that we all rally around one common goal of ensuring that learners, educators receive the necessary support. Learners must continue to revise with the same focus and dedication over the next

remaining period of their exams. Make sure that you keep calm and read the exam questions carefully. The Sedibeng District Municipality has confidence that you will do your best and as always, will make all of us proud.

The proud legacy of the of the past and current leadership and political vision of the Region of creating a smart city as an integral part of a globally competitive Gauteng City Region are doomed for failure leaders, if our youth, as future leaders, are not prepared to defend and spearhead them. Today's youth are a foundation from which to bring about a better life for all and build a prosperous society. This is the only best possible way to invest in one of our GDS key deliverables of releasing of human potential', concluded the Executive Mayor.
