Appointment of additional members on the Panel of Attorneys to assist SDM with Legal Related Matters on An Ad Hoc Basis.

BID NO: 8/2/2/11-2023

Introduction

Sedibeng District Municipality (Municipality) requires the services of appropriately qualified legal service providers to render specialized services which are not available in house, on an as and when required basis. It is the objective of this call for proposals to identify specialists within specific fields of competence and qualification whose services can be utilized by the Municipality.

In terms of the Municipal Finance Management Act 1 of 1999(as amended) and related Supply Chain Management Policy, the Municipality is obliged to follow a competitive bidding process to appoint a supplier of services.

The request for proposal is put out in an open and transparent manner to afford all professionals and entities an equal opportunity to perform specialized legal services for the Municipality. From this process, the Municipality will appoint a panel of specialists to render specific specialized services on an as and when required basis. Appointed bidders in the same area of skill will be utilized on a rotational basis.

2. General Qualification

To be considered, the service/entity must be in possession of a relevant qualification or in the case of a company or joint venture must have relevant qualifications amongst its employees. If the specialized field requires the practitioner to have admission as an attorney, such proof and membership of the Legal Practice Council must be provided. Proof of qualification and/or registration must therefore be submitted in respect of each bidder or employees within a company or joint venture that submits this bid. Bidders are required to submit a letter of good standing from the relevant Legal Practice Council.

Certified copies will be accepted provided the Municipality can insist on having the original documents submitted for verification purposes. Failure to submit the required proof with the bid documents will result in rejection of such bid irrespective whether such bidders are indeed qualified or registered.

If at any time for the duration of this panel being valid and in operation, an appointed service provider and/or entity is struck off the roll or disbarred, the appointment of such a practitioner will also be terminated and all instructions held by that practitioner will be cancelled and recalled.

PRICE CLARIFICATION

Bidders are required to submit a pricing schedule for litigious and non-litigious legal services as follows:

1. **Litigious matters**

1.1 With reference to the party and party tariff published from time to time by the Rules Board under section 6 of the Rules Board for Courts of Law Act, 1985 (Act no 107 of 1985), bidders are required to specify the **percentage above** (**if any**) the party and party tariffs at which they will charge the municipality on an attorney and own client scale. Currently the applicable party and party tariffs are those published in the Government Gazette no. 43592 dated the 7th August 2020, which came into effect on 11 September 2020.

For instance, the applicable party and party tariff for a consultation with a client in a High Court matter is currently R328.00 per quarter of an hour or part thereof by an attorney. If a bidder specifies 0% it will mean the bidder is prepared to render services at the applicable party/party tariff (plus VAT). It the bidder specifies 50% it will mean the bidder is prepared to render services at the party and party tariff **plus 50%**. In the example, this means the bid will be R328.00 plus 50% (R164.00), totaling R492.00 (plus VAT) per quarter of an hour or part thereof for a consultation with the client by an attorney.

1.2 The commencement of Section 35 of the Legal Practice Act, No 28 of 2014 ("The Act"), which deals with fees, has not yet been proclaimed. Bidders should be aware that the South African Law Reform Commission is investigating the fee structure of legal practitioners and in terms of section 35(6) of the Act, the Minister may by notice in the Gazette determine maximum tariffs payable to legal practitioners who are instructed by Local Government in any matter. While the outcome of the investigation is unknown and cannot be predicted, bidders should bear in mind that legislation may affect the prices in future.

2. **Non-litigious matters**

Bidders are required to submit bids bearing in mind the recommended tariffs published by the Legal Practice Council from time to time in respect of conveyancing and notarial work.

2.1 Conveyancing and notarial work Bidders are required to submit a bid indicating the percentage of **discount** with reference to the recommended tariffs referred to above that the bidder is prepared to give. For instance, if the bidder specifies a 0% discount the recommended tariff will apply. If the bidder specifies 10%, the bidder is prepared to render services at 10% less than the recommended tariff.

2.2 Legal opinions and drafting of contracts

Bidders are required to submit a bid indicating the **hourly tariff** (excluding VAT) at which they are prepared to consult, research, draft and debate a legal opinion or contract.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe* se prohibition meaning that it cannot be justified under any grounds.

Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:

- a. take all reasonable steps to prevent such abuse;
- b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
- c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to preventany form of bid-rigging.
- In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
